## Summary

---

May 2022 graduate in finance focusing on fixed income and investment management. A driven go-getter with an objective of career growth and doing the necessary work to get there. I have a desire to constantly learn and improve as a teammate and an individual. Working with a Division I basketball team has demonstrated to me that it's equally important to know how to navigate 'failure' and 'success' in the workplace.

## Education

---

University of Maryland, College Park

B.S Finance, May 2022, 3.87 GPA

Relevant coursework: Financial Statement Analysis, Fixed Income, Futures and Options, Financial Markets, Equity Analysis & Portfolio management
